

BISAN PLUS

READY-TO-USE SANITIZER

BISAN PLUS is an especially formulated no rinse alcohol and quaternary ammonium-based sanitizer.

BISAN PLUS is a ready to use, fast evaporating, product which leaves a protective quaternary ammonium film.

It is compatible with almost any surfaces.

FEATURES AND BENEFITS

- Fast evaporation
- Low viscosity
- Easy to use
- Quaternary ammonium leaves a 200 ppm residual film
- Contains 70% alcohol

DIRECTION FOR USE

Use procedure	Manually remove a maximum of soil. Spray or wipe undiluted hard, non porous surfaces. Allow to drain and dry before re-use. Good for spot sanitizing on equipment, conveyors, gloves, hand tools, etc. Can be used on cold surfaces.
Concentration	As is.
Temperature	-10°C to 40°C (14 to 104°F).
Dwell time/Operation time	Until full evaporation.
Rinsing	No rinse.
Precaution	Flammable liquid. Avoid use where sparks, flames or high temperatures are present.

BISAN PLUS READY-TO-USE SANITIZER

PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Alcohol
Specific gravity @ 20°C	0.84
Viscosity	< 10 cps
pH	Not applicable
Flash point (TCC)	24°C
Water solubility	Complete
Auto ignition temperature	Not available
Chlorine	None
Boiling point	95°C
Freezing point	< - 40°C
Foaming tendency	Low
Concentration monitoring techniques	Not applicable
Rinsing	Excellent

INCOMPATIBILITY

Strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
12 X 946 ml	20L	205L	

IMPORTANT

Before using **BISAN PLUS**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Call a physician if irritation persists.

Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/attention.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Ingestion

Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
