

## ELITE

### LIQUID LAUNDRY DETERGENT

**ELITE** is a unique blend of detergents and special brighteners, specially formulated for commercial laundry systems.

**ELITE** is a heavy-duty liquid detergent designed for use in the agricultural and horticultural industry.

It removes tough oil and grease stains, including animal and vegetable soil and will prevent soil redeposition.

### FEATURES AND BENEFITS

- Medium foaming
- Brightening agent
- Pleasant fragrance
- Easy to use
- Anti-deposition agent
- High performance product

### DIRECTION FOR USE

#### Use procedure

**ELITE** is designed to be dispensed manually, or with an automated liquid dispenser. The amount used per load will be dependent on the degree of soiling.

#### Concentration

##### Manual

Add 1/4 to 1/3 cup (2 to 3 ounces) (60 ml to 70 ml) for a regular load (12 to 20 lbs).

##### Automatic (Based on 100 pounds of dry fabric)

Light soil: 10 to 14 ounces (300 to 400 ml)

Medium soil: 14 to 19 ounces (400 to 500 ml)

Heavy soil: 19 to 25 ounces (550 to 700 ml)

#### Temperature

For optimum results, wash temperature should be hot, between 49°C and 71°C (120 and 160°F).

#### Mechanical action

For spots and stains, pour a small amount of **ELITE** and rub it into the affected area.

## PHYSICAL PROPERTIES

Appearance	Clear, pale yellow liquid
Odour	Perfumed
Specific gravity @ 20°C	1.05
Viscosity	< 10 cps @ 22°C
pH	6.5-8.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	Moderate
Concentration monitoring techniques	Refractive index
Rinsing	Excellent

## INCOMPATIBILITY

None

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
4 X 4L	20L	205L	

## IMPORTANT

Before using **ELITE**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

### Inhalation

Not applicable.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
