

FOAM-EZE HC

HIGH FOAMING ALKALINE CLEANER

FOAM-EZE HC is a foaming product designed to clean accessible exterior surfaces in the agricultural and horticultural industry.

FOAM-EZE HC is a high performance product designed for stubborn deposits such as baked or dried food, animal and vegetable deposits, and other stubborn soils.

FEATURES AND BENEFITS

- High alkalinity
- High foaming
- Compatible with chlorine
- Solvent free
- High performance product for difficult tasks
- May be used in compressed air or manual foaming systems
- The foam clings strongly to surfaces over a long period of time

DIRECTION FOR USE

Equipment to be treated	Agricultural and horticultural equipment and premises: hatcheries, barns and greenhouses that are very soiled such as floors, walls, ceilings and other highly soiled surfaces.
Soils to be removed	Animal and vegetable soil.
Use procedure	Manually remove a maximum of soil. Rinse surfaces with water. Apply FOAM-EZE HC . Allow to dwell then rinse with potable water.
Concentration	Between 0.1% and 4% (1 ml to 40 ml/litre of water) according to degree of soil
Temperature	Between 5°C and 60°C (41 to 140°F) when applied as foam.
Dwell time/Operation time	Between 5 to 25 minutes.
Mechanical action	Scrubbing or brushing recommended.
Rinsing	Rinse well to remove all traces of product.
Reuse/recycling	Not possible with this technique.

FOAM-EZE HC HIGH FOAMING ALKALINE CLEANER

PHYSICAL PROPERTIES

Appearance	Clear, brown liquid
Odour	Faint detergent
Specific gravity @ 20°C	1.20
Viscosity	< 10 cps
pH	> 13.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	High
Concentration monitoring techniques	Electrical conductivity, titration
Rinsing	Excellent

INCOMPATIBILITY

Strong acids

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	205L	1000L

IMPORTANT

Before using **FOAM-EZE HC**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

PERSONAL PROTECTION
