

## FOAM-EZE HD

### FOAMING ALKALINE CLEANER

**FOAM-EZE HD** is designed to clean accessible surfaces in the food industry. It is a high performance product designed for stubborn deposits such as baked or dried food, liquid deposits in smoke houses and other stubborn debris.

The abundant foam feature allows **FOAM-EZE HD** to be used in compressed air or aspiration foaming systems.

The foam produced by **FOAM-EZE HD** clings to surfaces allowing a longer contact time.

### FEATURES AND BENEFITS

- High alkalinity
- High foaming
- Low viscosity
- Solvent free
- Heavy duty for the most difficult tasks

### DIRECTION FOR USE

**Equipment to be treated**

All equipment used in the food industry that are soiled with stubborn deposits such as ham trees, natural or liquid smoke houses, convection ovens or all other surfaces which require a heavy duty product.

**Soils to be removed**

Baked or dried protein deposits, smoke deposits found on the walls of smoke houses.

**Use procedure**

Manually remove a maximum of soil. Rinse surfaces with hot water. Apply **FOAM-EZE HD** to surfaces. Allow to dwell then rinse with high pressure.

**Concentration**

Between 0.1% and 4% (1 ml and 40 ml/l).

**Temperature**

Between 5°C and 60°C (41 and 140°F).

**Contact time**

Between 5 and 25 minutes.

**Mechanical action**

Scrubbing or brushing is recommended.

**Rinsing**

Rinse all food contact surfaces with potable water.

**Reuse/recycling**

Not possible.

# FOAM-EZE HD FOAMING ALKALINE CLEANER

## PHYSICAL PROPERTIES

Appearance	Clear, brown liquid
Odour	Detergent
Specific gravity @ 20°C	1.42
Viscosity	Not available
pH	> 13.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	Very high
Concentration monitoring techniques	Electrical conductivity, titration
Rinsing	Excellent

## INCOMPATIBILITY

Acids, aluminum, zinc

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
<b>20L</b>	<b>205L</b>		

## IMPORTANT

Before using **FOAM-EZE HD**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
