FOAM-IT Sanitizer for foam carpet

West Penetone

FOAM-IT is a quaternary ammonium sanitizer with strong foaming power, especially formulated for foam carpet production, intended to protect access to specific areas.

FOAM-IT replaces boot dip basins and screens.

Ensures freshness of sanitizing solution since **FOAM-IT** remains active as long as the foam is visible.

FEATURES AND BENEFITS

- Abundant foam
- Low viscosity
- Chemically stable
- Easy to measure out.
- Pleasant to use since it is odourless and colorless.
- Non-corrosive

DIRECTION FOR USE	
Equipment to be treated	Work boots entering specific areas.
Use procedure	With the use of a measuring and automatic or manual foaming production system, coat the surface in front of access doors to food processing areas with a thick layer of FOAM-IT solution. Repeat as often as needed, to maintain the foam carpet at all times.
Concentration	From 1.0 to 4.0% v/v.
Temperature	Not applicable.
Dwell time/Operation time	None.
Rinsing	None.
Reuse/recycling	No.

PHYSICAL PROPERTIES		
Appearence	Clear, colorless liquid	INCOMPATIBILITY
Odour	Faint detergent	Strong oxidizers
Specific gravity @ 20°C	1.0	
Viscosity	< 10 cps	WAREHOUSING PRECAUTIONS
рН	9	Keep containers tightly closed in a dry,
Flash point (TCC)	None	cool and well-ventilated place
Water solubility	Complete	
Auto ignition temperature	None	
Chlorine	None	
Boiling point	100°C	
Freezing point	Not available	20L 205L
Foaming tendency	High	
Concentration monitoring techniques	Titration	
Rinsing	Excellent	Food and beverage industry accepted

IMPORTANT

Before using **FOAM-IT**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/ physician.

Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/ shower. Wash contaminated clothing before reuse.

Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
