**Complete line of products**  
for Drilling Industries

Your cleaning  
solutions resource

## **RESEARCH** *and development...*

With over 100 years of manufacturing and product development experience, West Penetone Inc has developed and patented a number of products designed to satisfy the needs of its numerous clients throughout the world. Whatever cleaners, degreasers or degassing products may be required, we offer a broad range of products that meet the highest standards of safety and efficacy.

Concerned as we always are about environmental impact, we have introduced a new line of “green” cleaners and degreasers recognized by Environment Canada and displaying the EcoLogo.

### **Looking for a product to meet a specific need?**

Our team of experts can develop products that will answer your requirements.

**Implementation of chemical application procedures by our technical team allows you to carry out your cleaning operations while ensuring a safe environment.**

## We have the solution!

A world leader in the creation of environmentally friendly cleaning products, West Penetone has earned the respect of many industrial sectors for its innovations, expertise and ability to solve the most difficult problems, regardless of the situation.

PRODUCTS	DESCRIPTION	FEATURES AND BENEFITS
<b>CITRIKLEEN C32</b> Heavy duty degreaser	<b>CITRIKLEEN C32</b> is a citrus-based liquid degreaser specially designed for more aggressive cleaning requirements. It is highly effective on removing bitumen from heavy equipment.	<ul style="list-style-type: none"><li>• Caustic free</li><li>• Phosphate free</li><li>• Easily emulsified in water</li><li>• High foaming</li><li>• Reduces or eliminates the need for petroleum distillate based solvents</li><li>• Compatible with most metallic and non metallic surfaces</li><li>• Highly effective and fast acting</li><li>• Pleasant to use</li></ul>
<b>ENVIROSOL</b> Heavy duty citrus-solvent cleaner	<b>ENVIROSOL</b> is a heavy duty solvent cleaner designed for a variety of applications. It removes stubborn deposits such as tar, bitumen, heavy crudes, and carbonaceous soils from a variety of surfaces.	<ul style="list-style-type: none"><li>• Pleasant odour</li><li>• Free of aromatic solvent</li><li>• Powerful and fast acting</li><li>• May be used for engine cleaning</li><li>• May be used for de-waxing new vehicles</li><li>• Does not freeze</li><li>• Leaves little to no residue</li><li>• Compatible with most metallic and plastic surfaces</li></ul>
<b>WASH AWAY</b> Cleaner for vehicle exteriors	<b>WASH AWAY</b> is an economical powdered alkaline cleaner. Its high solubility allows its use in both automatic and manual wash systems.	<ul style="list-style-type: none"><li>• High solubility</li><li>• High foaming capacity</li><li>• Cost effective</li><li>• Moderate pH and alkalinity</li></ul>
<b>RIG WASH LIQUID</b> Heavy duty alkaline degreaser	<b>RIG WASH LIQUID</b> is a caustic free liquid alkaline degreaser. <b>RIG WASH LIQUID</b> 's industrial strength is effective in all types of water conditions.	<ul style="list-style-type: none"><li>• Caustic free</li><li>• High foaming</li><li>• Low viscosity</li><li>• Compatible with most metallic and non metallic surfaces</li><li>• Non volatile</li><li>• Non flammable</li><li>• High alkaline strength detergency</li></ul>
<b>HD BLUE LIQUID</b> Liquid laundry detergent	<b>HD BLUE LIQUID</b> is a heavy duty liquid detergent designed to remove the toughest stains from work wear and prevent soil redeposition.	<ul style="list-style-type: none"><li>• Medium foaming</li><li>• Safe on cotton &amp; cotton/polyester blends</li><li>• Acts as an effective multipurpose industrial cleaner</li></ul>
<b>METHYL HYDRATE</b> Air-line antifreeze	<b>METHYL HYDRATE</b> is used to prevent freezing in hydraulic lines while keeping valves and seals properly lubricated.	<ul style="list-style-type: none"><li>• Contains dye for easy identification</li><li>• Provides lubrication to valves and seals</li></ul>
<b>HYDRO-TREAT LIQUID</b> Low foaming boiler compound	<b>HYDRO-TREAT LIQUID</b> is a boiler compound designed to control corrosion, inhibit scale deposition and prevent fouling in one dose treatments. It is typically used in oilfield boiler systems and is completely biodegradable.	<ul style="list-style-type: none"><li>• Powerful alkali</li><li>• Low foaming</li><li>• Completely water soluble</li><li>• Oxygen scavenger</li></ul>
<b>LEMON LITE INDUSTRIAL</b> Heavy duty detergent & degreaser	<b>LEMON LITE INDUSTRIAL</b> is a high-foaming detergent and degreaser designed for heavy duty cleaning applications. It is user friendly and generally applicable for cleaning a variety of soils.	<ul style="list-style-type: none"><li>• High foaming</li><li>• Completely water soluble</li></ul>
