

METASOL

HEAVY-DUTY ALKALINE CLEANER & DEGREASER

METASOL is a high foaming degreaser which restores metal's appearance. It is specially designed for wash bays and is also used on buildings and equipment in the agricultural industry.

METASOL can be used manually or with an automatic system.

METASOL leaves a "like new" shine on metal surfaces when used as recommended.

FEATURES AND BENEFITS

- Phosphate free
- High foaming
- Low viscosity
- Industrial strength detergency
- Compatible with most metallic and non-metallic surfaces
- Non-flammable
- Non-volatile

DIRECTION FOR USE

Surface to be cleaned	Agricultural equipment and premises. Exterior of transportation vehicles.
Soils to be removed	Grease, oil, road films, exhaust deposit.
Use procedure	Use METASOL as directed. Can be used with high pressure foaming systems.
Concentration	1 % to 10 % (10 to 100 ml/litre).
Temperature	10°C to 75°C (50 to 167°F).
Dwell time / Operation time	3 to 15 minutes.
Mecanical action	High volume foaming and high pressure rinsing are recommended for stubborn soils
Rinsing	High-pressure water rinsing.

METASOL HEAVY-DUTY ALKALINE CLEANER & DEGREASER

PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Detergent
Specific gravity @ 20°C	1.075-1.085
Viscosity	Not available
pH	12.5-13.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	Approx. 100°C
Freezing point	Approx. -15°C
Foaming tendency	High
Concentration monitoring techniques	Not determined
Rinsing	Excellent

INCOMPATIBILITY

Acids and strong oxidizing materials

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	205L	1000L

IMPORTANT

Before using **METASOL**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.

PERSONAL PROTECTION
