

PENBLAST BIO-LF

ACID DESCALER

PENBLAST BIO-LF is a low foaming acid descaler. It is based on an organic acid and is phosphorus free.

PENBLAST BIO-LF is particularly useful for reviving polished aluminum on transport trucks and other surfaces.

FEATURES AND BENEFITS

- Low foaming
- Water soluble
- Organic acid ingredients
- Mild odour
- Easy to use
- High descaling power
- Safe on equipment
- Safe on the environment

DIRECTION FOR USE

Equipment to be cleaned	Stainless steel or aluminum and food processing equipment surfaces. Mirrors for display counters. Polished aluminum surfaces on transport trucks.
Soils to be removed	Scale deposits.
Directions	Apply to the surface to be cleaned. Leave on for 2 to 5 minutes. Rub the surface and rinse with warm water. Repeat if necessary.
Concentration	2 to 10% depending on the difficulty. Use undiluted for particularly difficult tasks.
Temperature	15°to 40°C.
Mechanical action	2 to 5 minutes.
Rinsing	It is always necessary to thoroughly rinse the descaled surfaces with hot water.
Reuse/Recycling	No.

PENBLAST BIO-LF ACID DESCALER

PHYSICAL PROPERTIES

Appearance	Clear colorless liquid
Odour	Faint detergent
Specific gravity @ 20°C	1.17
Viscosity	< 10 cps
pH	<1
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	Low
Concentration monitoring techniques	Not applicable
Rinsing	Excellent

INCOMPATIBILITY

Bases, bleach

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
2 X 4L			

IMPORTANT

Before using **PENBLAST BIO-LF**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
