

QUANTUM

ECONOMICAL HAND SOAP

QUANTUM has exceptional cleansing qualities and is extremely mild on user's skin. It contains effective emollients which prevent dryness and chapping, even when used frequently.

It is absolutely required to wash hands prior to entering a room where unwrapped food is handled.

FEATURES AND BENEFITS

- Cost effective
- Neutral pH
- Contains effective emollients
- Mild and pleasant odour
- Does not dry hand or cause chapping

DIRECTION FOR USE

In the palm of the hand, add a quantity of soap from the soap dispenser. Rub hands together for a few seconds then rinse with potable water.

Potable water must be used at all times (Warm if possible). Do not leave product residue on hands.
