SUPER KLEEN ALL

HEAVY-DUTY GENERAL PURPOSE ALKALINE DEGREASER

ALKALINE DEGREASERS

SUPER KLEEN ALL is a high pH, general-purpose degreaser designed with broader variability in application dilution for more customized, as well as safe and efficient, dispersion and removal of debris, grime, and grease or oils from all washable hard surfaces. It also serves as a multi-purpose product with the capacity to remove a multitude of soils in a variety of applications when applied at the recommended dilution ratios.

FEATURES AND BENEFITS

- High foaming
- High pH for fast cleaning action
- Contains no phosphates or NPE's
- Higher alkali formula available in AS Liquid
- Lower alkali formula available in Cyclone
- CFIA Approved
- Combats hard-water deposits
- Versatile application methods
- May be used in automatic foaming systems
- May be used as a pre-spray in touchless wash systems
- May be used in parts washers

DIRECTIONS FOR USE

Use procedures	Use **SUPER KLEEN ALL** as part of a manual, foam, low-pressure or high-pressure application in hard or soft water. Scour or brush stubborn deposits prior to application.
Concentration	Use undiluted on compatible surfaces for all applications with heavy-duty soils or heavy soil loads. 25% v/v for heavy-duty manual tasks, such as mopping, depending on severity of soils. 10% v/v for low-pressure applications. 48:1 or approximately 2% v/v for high-pressure applications. 192:1 or approximately 0.5-0.6% v/v for manual, light-duty hard surface cleaning tasks, such as trigger spray and wipe, depending on severity of soils.
Dwell time / Operation time	Allow to dwell 3 to 5 minutes before final rinsing.
Rinsing	High pressure hot water is recommended.

SUPER KLEEN ALL

Heavy-duty general purpose alkaline degreaser

PHYSICAL PROPERTIES

Appearance	Blue liquid
Odour	Detergent
Specific Gravity @ 20ºC	1.095-1.110
Viscosity	Thin
pH	12.5-13.5
Flash Point (TCC)	None
Boiling Point	Approx. 100ºC
Freezing Point	Approx. 0ºC
Foaming Tendency	High
Concentration Monitoring Techniques	Titration
Rinsability	Excellent
Water Solubility	Complete

INCOMPATIBILITY

Strong acids and oxidizing materials

Avoid contact with aluminum or galvanized surfaces or prolonged contact with copper or brass materials

WAREHOUSING PRECAUTIONS

Keep from freezing

Keep container closed when not in use

AVAILABLE SIZES

20L / 5,28Gal.	**205L / 54,16Gal.**		

FIRST AID MEASURES

EYE CONTACT
Flush with plenty of water for 15 minutes. Consult physician if irritation develops or persists.

SKIN CONTACT
Flush with plenty of water for 15 minutes.Consult physician if irritation develops or persists.

INHALATION
Give fresh air. Consult physician

INGESTION
Do not induce vomiting. Drink plenty of water and consult physician immediately.

HEALTH	**1**
FLAMMABILITY	**0**
REACTIVITY	**0**
