

WASH BAY - POWDERED CLEANERS

TOP GUN is a high-performance powdered alkaline cleaner with a high concentration of surfactant to improve solubility in both hot and cold water and provide a high-quality spot-free and easy rinse. It effectively disperses and mobilizes a multitude of soils and debris in a variety of wash system set-ups for universal and consistent results.

FEATURES AND BENEFITS

- Rapid solubility in both hot and cold water
- Non-corrosive
- Non-hazardous
- High foaming
- Contains no harsh alkali ingredients
- Excellent water conditioning properties
- User friendly
- Combats hard-water deposits
- Safe for all vehicle finishes and surfaces
- May be used in both automatic and manual wash system set-ups
- Useful in a variety of exterior vehicle wash applications

DIRECTIONS FOR USE

Use procedure	Use TOP GUN as part of a manual, foaming, or high-pressure application in hard or soft water. Scour or brush stubborn deposits prior to application.
Concentration	10% w/v in mixing drums, depending on degree of soil, and apply by foamer or dilute further at 1280:1 to 320:1 or approximately 0.1-0.3% v/v with water for high-pressure applications, depending on the system set-up.
Use temperature	Effective in both hot and cold water.
Dwell time / Operation time	Allow to dwell 3 to 5 minutes before final rinsing.
Mechanical action	Scrubbing and high pressure application and rinsing recommended for removing stubborn deposits.
Rinsing	High pressure hot water is recommended.

TOP GUN

CLEANER FOR VEHICLE EXTERIOR

PHYSICAL PROPERTIES

Appearance	Blue powder
Odour	Detergent
Specific Gravity @ 20°C	Not applicable
Viscosity	Not applicable
pH (1% solution)	10.5
Flash Point (TCC)	Not applicable
Boiling Point	Not applicable
Freezing Point	Not applicable
Foaming Tendency	High
Concentration Monitoring Techniques	Titration
Rinsability	Excellent
Water Solubility	Complete

INCOMPATIBILITY

Acids and oxidizing materials

WAREHOUSING PRECAUTIONS

None required

AVAILABLE SIZES

			
20Kg	90Kg	180Kg	

FIRST AID MEASURES

EYE CONTACT

Wash with plenty of water for 15 minutes. Consult physician if irritation develops or persists.

SKIN CONTACT

Wash with soap and plenty of water for 15 minutes. Apply skin cream. Consult physician if irritation develops or persists.

INHALATION

Not applicable.

INGESTION

Do not induce vomiting (aspiration hazard). Drink plenty of water and contact physician.
