

# Car wash and industrial wash bay products

## Detergent powders

powdered alkaline cleaners for vehicle exteriors

Products	Features and benefits
<b>Evergreen</b>	<b>High performance powdered alkaline cleaner</b> Highly effective product for general cleaning, degreasing and road-film removal. Offers a standard in terms of solubility and application concentration versus performance. Convenient liquid format available.
<b>Supreme Truck</b> <i>CFIA approved</i>	<b>Heavy-duty powdered alkaline cleaner</b> Effective and economical means for washing oilfield equipment. Highly effective in road-film removal and general degreasing.
<b>Top Gun</b>	<b>Powdered alkaline cleaner</b> Effective product for general cleaning and road-film removal. Highly soluble and effective for aggressive cleaning requirements.

## Foam Conditioner tri-color

manual/touchless systems detergents

Products	Features and benefits
<b>Penblitz 300H</b> <i>CFIA approved</i>	<b>High foaming neutral pH liquid cleaner</b> Use for cleaning equipment or areas that cannot tolerate corrosive products or in cases where the use of personal protective equipment is not desired.
<b>Ramfoam</b>	<b>Foam-boosting compound</b> Use in all wash systems where added detergency and foaming action is required. Assists in the removal of heavy soil deposits while remaining environmentally safe, non-corrosive, and user-friendly.
<b>Super Ramfoam</b>	<b>Ultra foam-boosting compound</b> Use in all wash systems where added detergency and longer foam residence time is required. Maintains longer foaming action in the presence of heavy soil deposits while remaining environmentally safe, non-corrosive, and user-friendly.

## Detergent liquids

liquid alkaline cleaners for vehicle exteriors

Products	Features and benefits
<b>Action</b> <i>CFIA approved</i>	<b>High performance liquid cleaner</b> Effective product for improving wash-bay environment. Free of caustic, phosphates, and solvents.
<b>Evergreen Liquid</b>	<b>High performance liquid alkaline cleaner</b> Effective product for general cleaning and road-film removal.
<b>Evergreen Liquid Plus</b>	<b>Heavy-duty liquid alkaline cleaner</b> High-performance evolution of Evergreen Liquid designed for more demanding presoak or detergent applications in high-traffic volume or truck wash-bays.
<b>Metasol</b>	<b>High performance alkaline cleaner/degreaser</b> Designed to remove a multitude of soils on tankers and fleet vehicles. METASOL Leaves a "like new" shine on metal surfaces.
<b>Pensurf 20</b>	<b>Cleaner &amp; surface protector</b> Designed to clean and impart surface protection as well as soil resistance and release properties to vehicle exteriors.
<b>Penblitz 228M</b>	<b>Heavy-duty alkaline cleaner</b> Caustic free liquid alkaline cleaner. PENBLITZ 228M is high foaming which allows its use in heavy-duty automatic foaming systems.
<b>TCS 300</b>	<b>Liquid alkaline cleaner</b> Industrial strength product that is both cost effective and versatile. Effective for a multitude of general cleaning requirements.

## Recirculating system

Products	Features and benefits
<b>Foamchek W.I.D.</b>	<b>Non-foaming acid cleaner</b> Designed for use in wash-bay arches or other recirculating systems. It effectively removes surface oxidation and other deposits.

## Tire/Wheel degreasing

liquid alkaline pre-sprays/degreasers

Products	Features and benefits
<b>AS Liquid</b>	<b>Industrial strength degreaser</b> Most aggressive alkaline degreaser available. Effective and safe on a majority of metal and painted surfaces at the recommended dilution ratio.
<b>Cyclone</b>	<b>Liquid alkaline degreaser and pre-spray</b> Effective product for when aggressive alkalinity is not required. Highly effective for general cleaning and degreasing.
<b>Knock-Out</b>	<b>Liquid degreaser and pre-spray</b> Most user-friendly degreaser and pre-spray available. Contains no harsh alkalinity while remaining effective for a multitude of cleaning and degreasing requirements. Great for bug removal.
<b>Super Kleen All</b> <i>CFIA approved</i>	<b>Heavy duty liquid alkaline degreaser/pre-spray</b> Effective product for reducing corrosion on softer metals while maintaining a standard of aggressive cleaning and degreasing. Multi-functional product with a capacity to remove a multitude of soils.
<b>Rig Wash Liquid</b>	<b>Caustic free liquid alkaline degreaser.</b> RIG WASH LIQUID is an industrial strength product that is effective in all types of water conditions.
<b>WestKleen 4115</b> <i>CFIA approved</i>	<b>Liquid alkaline degreaser and pre-spray</b> Effective for when light to medium duty cleaning and degreasing is required while remaining environmentally safe and non-corrosive.

## Waxes/Drying agents spray wax

Products	Features and benefits
<b>Cherry Wax</b>	<b>Automotive finishing wax and rinse-aid</b> Designed to promote water-beading and prevent water-spotting on vehicle exteriors.

## RESEARCH and development...

With over 100 years of manufacturing and product development experience, West Penetone Inc has developed and patented a number of products designed to satisfy the needs of its numerous clients throughout the world. Whatever cleaners, degreasers or decontamination products may be required, we offer a broad range of products that meet the highest standards of safety and efficacy.

Concerned as we always are about environmental impact, we have introduced a new line of "green" cleaners and degreasers recognized by Environment Canada and displaying the EcoLogo.

**Looking for a product to meet a specific need?**  
Our team of experts can develop products that will answer your requirements.

**Implementation of chemical application procedures by our technical team allows you to carry out your cleaning operations while ensuring a safe environment.**

- WandSystems**
- Any of our detergents
  - Cherry Wax
  - Cyclone/AS Liquid
  - Ramfoam/Super Ramfoam

- Foamers**
- Any detergent or tire & wheel degreasers

- Manual/Brush WashSystems**
- Penblitz 300H
  - Ramfoam

- Touchless WashSystems**
- Cherry Wax
  - Cyclone
  - Evergreen Liquid
  - Foamchek
  - Super Ramfoam
