

# WEDAC

## FOAMING ACID CLEANER

**WEDAC** is a high foaming acid descaler. It is designed to remove scale on food and beverage processing equipment.

**WEDAC** can be applied to surfaces where cleaning by circulation is impossible.

**WEDAC** is also effective on oxidized aluminum to restore its shine.

## FEATURES AND BENEFITS

- High foaming
- Water dilutable
- Mild odour
- Easy to apply with automatic foaming equipment.
- Its foam clings to surfaces allowing a longer contact time even at low concentration
- Heavy duty

## DIRECTION FOR USE

<b>Equipment to be treated</b>	Stainless steel, aluminum or plastic surfaces.
<b>Soils to be removed</b>	Mineral deposit, limestone, magnesium, iron and rust.
<b>Use procedure</b>	Apply manually or with appropriate foaming equipment.
<b>Concentration</b>	0.1% to 10% (1 to 100 ml/l) according to degree of soil.
<b>Use temperature</b>	Between 10°C and 60°C (50 to 140°F).
<b>Dwell time/Operation time</b>	Between 3 and 25 minutes.
<b>Mechanical action</b>	Scrubbing recommended.
<b>Rinsing</b>	Rinse with potable water.

# WEDAC FOAMING ACID CLEANER

## PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Faint detergent
Specific gravity @ 20°C	1.4
Viscosity	10 - 30 cps
pH	< 1
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	high
Concentration monitoring techniques	Titration
Rinsing	Excellent

## INCOMPATIBILITY

Bases, organic materials, light metals, bleach

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
4 X 4L	20L	205L	1000L

## IMPORTANT

Before using **WEDAC**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
