

WEST HAND SOAP

ANTIBACTERIAL HAND SOAP

WEST HAND SOAP has exceptional cleansing qualities and is extremely mild on user's skin.

It contains effective emollients which prevent dryness and chapping, even when used frequently.

It is absolutely required to wash hands prior to entering a room where unwrapped food is handled.

FEATURES AND BENEFITS

- Contains effective antibacterial agents
- Neutral pH
- Contains effective emollients
- Mild and pleasant odour
- Does not dry hand or cause chapping
- Extremely efficient against all kinds of microorganisms

DIRECTION FOR USE

Technique

In the palm of the hand, add a quantity of soap from the soap dispenser. Rub hands together for a few seconds then rinse with potable water.

Rinsing

Potable water must be used at all times (Warm if possible). Do not leave product residue on hands.

WEST HAND SOAP

ANTIBACTERIAL HAND SOAP
