

## WEST PROTEK

### ANTIBACTERIAL BARRIER

**WEST PROTEK** is a liquid solution which provides a durable antibacterial barrier when applied to a hard and porous surfaces.

**WEST PROTEK** can prevent the proliferation of a wide variety of microorganisms including bacteria, yeasts and molds.

**WEST PROTEK** contains 8000 ppm of 5<sup>th</sup> generation quaternary ammonium on original application and a 3500 ppm residual for several months.

### FEATURES AND BENEFITS

- Can give up to six months protection
- Very stable product
- Non-corrosive
- Cost efficient
- Reduces probability of outbreaks
- User safe
- Wide spectrum of activity

### DIRECTION FOR USE

After cleaning, apply **WEST PROTEK** undiluted to the surface and allow to dry. The surface may be washed with water but do not wash with a detergent as this will remove the barrier. Do not mix with soap or other products.

#### FOR USE ON NON FOOD CONTACT SURFACES ONLY

Under microbiological lab testing, **WEST PROTEK** effectively inhibited the growth of the following organisms:

- Staphylococcus aureus
- Bacillus subtilis
- Pseudomonas aeruginosa
- Escherichia coli
- Listeria monocytogenes
- Salmonella sp.
- Aspergillus niger
- Staphylococcus epidermitis
- Enterococcus faecalis
- Listeria Inocua

# WEST PROTEK ANTIBACTERIAL BARRIER

## PHYSICAL PROPERTIES

Appearance	Colorless, slightly hazy liquid
Odour	Odorless
Specific gravity @ 20°C	1.01
Viscosity	Not available
pH	2.1
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	Moderate
Concentration monitoring techniques	Not applicable
Rinsing	Not applicable

## INCOMPATIBILITY

Strong oxidizers

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
	20L	205L	

## IMPORTANT

Before using **WEST PROTEK**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contact physician if irritation persists.
