

# AccuCLEAN VLP

CLEANER FOR VEHICLE INTERIOR

**AccuCLEAN VLP** is formulated for cleaning vinyl, leather and plastic surfaces in the interior of motor vehicles. Its unique formulation allows it to swiftly penetrate and emulsify oily and greasy soils.

**AccuCLEAN VLP** does not contain caustic soda or harsh alkalinity builders, making it gentle on vinyl, leather, plastic and glass surfaces.

One notable feature of **AccuCLEAN VLP** is that it leaves no white residue behind, even when it dries on surfaces. This ensures a clean finish without unsightly streaks.

## FEATURES & BENEFITS

- Easily greasy stains
- Non-corrosive to skin at dilution
- Safe on vinyl, leather, paint, glass, plastics, and metal trim
- Dries clear when used at the recommended dilution
- Easily wiped away even after drying

## DIRECTIONS FOR USE

<b>Use procedure</b>	Spray diluted <b>AccuCLEAN VLP</b> solution on a clean cloth and wipe surfaces thoroughly. For tough stains, spray solution directly on surface and allow 3 to 7 minutes of dwell time before wiping with a clean damp cloth. Follow up with <b>AccuSHINE VLP</b> to protect cleaned surfaces.
<b>Concentration</b>	40:1 for use in a spray bottle.
<b>Use temperature</b>	Dilute with warm water.
<b>Rinsing</b>	After applying <b>AccuCLEAN VLP</b> , wipe area with a clean damp cloth.

# ACCUCLEAN VLP CLEANER FOR VEHICLE INTERIOR

## PHYSICAL PROPERTIES

Appearance	Clear, green liquid
Odour	Mild detergent
Specific gravity @ 20°C	1.005 – 1.025
Viscosity	Not available
pH	10.5 - 11.5 (10% solution in water)
Flash point (TCC)	Not applicable
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Not available
Foaming tendency	Non-foaming
Rinsing	Good
Concentration monitoring techniques	Not available

## INCOMPATIBILITY

Strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away in a dry, cool, and well-ventilated place

## AVAILABLE SIZES

			
<b>20L</b>	<b>115L</b>	<b>205L</b>	

## IMPORTANT

Before using **ACCUCLEAN VLP** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Ingestion

Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.

### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

### Inhalation

If difficulties occur after mist, vapors, or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.
