

AccuCLEAN WW

WASH & WAX DETERGENT

AccuCLEAN WW is a specialized detergent formulated for manual cleaning of automobiles, equipment, and watercraft. When used, it leaves a protective wax film on the vehicle surface, enhancing gloss and overall appearance while also aiding in the drying process.

AccuCLEAN WW is safe for use on all types of finishes and is non-corrosive to skin.

FEATURES & BENEFITS

- Pleasant spring fragrance
- Deposits a thin “wax” film on surface for enhanced gloss and rapid drying
- Non- corrosive and gentle on all surfaces and on skin

DIRECTIONS FOR USE

Use procedure	Use AccuCLEAN WW as a bucket wash detergent. Product can be applied using a trigger spray bottle or using a sponge, cloth or washing mitts
Concentration	40:1 to 10:1
Use temperature	Warm water.
Rinsing	Rinse with warm or cold water. Using deionized water rinse will ensure a spot free finish.
