

AccuFOAM

HIGH FOAMING BRUSH-WASH DETERGENT

ACCUFOAM is a high-foaming, near-neutral, and cherry-fragranced liquid detergent designed specifically for carwash applications. It can be used in wand wash foamy-brush cycles and in tunnel-wash systems using either conventional rotating brushes, or the newer “soft cloth” process.

When applied, **ACCUFOAM** generates large volumes of thick, aromatic, lubricating foam that effectively lift road grime from the vehicle’s surface. The foam’s gentle action ensures thorough cleaning, leaving the customer with a pristine and sparkling clean car.

FEATURES & BENEFITS

- High concentration of foam-boosting surfactants
- Suitable for both soft cloth and conventional rotating brushes
- Pleasant cherry fragrance
- Produces large volumes of lubricating foam to gently lift road grime and dirt, while preventing damage to the vehicle’s paint
- Produces neutral foaming solution on dilution, that is safe for all vehicle surfaces

DIRECTIONS FOR USE

Use procedure	Use ACCUFOAM for foam brush cycle in wand wash or the rotating brush/soft cloth cycle in tunnel wash systems.
Concentration	500:1 to 1000:1 for rotating brush or soft cloth cycle in tunnel wash systems 80:1 to 120:1 for foamy brush cycle in wand wash
Use temperature	Can be used in both hot and cold-water cleaning applications. For best results, use hot water (50°C – 60°C / 120°F – 140°F).
Rinsing	High pressure hot water is recommended.

AccuFoam HIGH FOAMING BRUSH-WASH DETERGENT

PHYSICAL PROPERTIES

Appearance	Clear, yellow liquid
Odour	Cherry
Specific gravity @ 20°C	1.000 – 1.020
Viscosity	Not available
pH	8.0 – 9.0
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. 0°C (32°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Electrical conductivity

INCOMPATIBILITY

Strong oxidizing agents, acids

WAREHOUSING PRECAUTIONS

Store away from incompatible materials
Keep from freezing

AVAILABLE SIZES

			
20L	115L	205L	

IMPORTANT

Before using **ACCUFoAM** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Do not induce vomiting unless directed by medical personnel. Rinse mouth with water and drink 1 or 2 glasses of water and call a POISON CENTER or doctor/physician if you feel unwell.

Skin contact

Take off contaminated clothing and rinse skin with plenty of water. If skin irritation occurs, get medical advice/attention. Wash any contaminated clothing before re-use.

Inhalation

If difficulties occur after mist, vapors, or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician immediately.
