

# AccuSHINE TRS

## TIRE AND RUBBER DRESSING

**AccuSHINE TRS** is silicone-based tire and rubber dressing, which leaves a matte, dust resistant finish on applied surfaces. This leaves tires and rubber trying with a long lasting clean, jet black appearance.

For the best results, tires and rubber surfaces should be cleaned with a vehicle degreaser and rinsed with water, before applying **AccuSHINE TRS**.

## FEATURES & BENEFITS

- Durable silicone-based protectant
- Leaves an attractive, non-glossy, matte finish
- Reduces dust adhesion and smudging
- Protects surfaces for drying and cracking when exposed to sunlight for extended periods of time

## DIRECTIONS FOR USE

<b>Use procedure</b>	Spray <b>AccuSHINE TRS</b> onto tires or rubber surfaces. For rubber surfaces, wipe with a clean, damp cloth to the spread polish evenly.
<b>Concentration</b>	Use undiluted on tires and rubber surfaces.
<b>Use temperature</b>	Use at ambient temperature.
<b>Rinsing</b>	No rinsing needed.

# ACCUSHINE TRS TIRE AND RUBBER DRESSING

## PHYSICAL PROPERTIES

Appearance	Opaque, white liquid
Odour	Odorless
Specific gravity @ 20°C	0.990 – 1.010
Viscosity	Not available
pH	6.5 – 7.5 (10 % v/v solution in water)
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Not available
Foaming tendency	Non-foaming
Rinsing	Not applicable
Concentration monitoring techniques	Not applicable

## INCOMPATIBILITY

Strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away in a dry, cool, and well-ventilated place

## AVAILABLE SIZES

			
<b>20L</b>	<b>115L</b>	<b>205L</b>	

## IMPORTANT

Before using **ACCUSHINE TRS** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Ingestion

Rinse mouth. Do NOT induce vomiting. Drink one or two glasses of water or milk. Call a POISON CENTER or doctor/physician if you feel unwell.

### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

### Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.
