

AccuWash FC-50

POWDERED FLOOR CLEANER

AccuWash FC-50 is a heavy-duty, powdered detergent that is designed for cleaning concrete and painted floors in automotive shops, industrial buildings, warehouses and parking garages.

AccuWash FC-50 contains a high concentration of alkali builders, along with active surfactants and citrus extracts. This powerful cleaning formulation allows the solution to rapidly penetrate and lifts oil, greases, tire marks and general industrial soils from concrete and painted floors.

AccuWash FC-50 is moderately foaming making it suitable for use in automatic floor scrubbing machines, as well as for manual cleaning applications. The detergent rinses freely from floors without leaving any residue.

FEATURES & BENEFITS

- High concentration of active alkali builders and surfactants
- Contains citrus extract for pleasant aroma and to boost cleaning power
- Moderate foaming
- Can be used in automatic floor scrubbers or for manual cleaning
- Easily rinsed away

DIRECTIONS FOR USE

Use procedure

- For **manual cleaning** sprinkle **AccuWash FC-50** over wet floor and scrub with a stiff broom or manual floor scrubber until soils are loosened. Follow up with a thorough rinse with fresh water.
- For **automatic floor scrubbers**, dissolve **AccuWash FC-50** in hot water then add the solution to the reservoir on the unit.
- For **floors with heavy deposits** of oily soils and stains, pretreat with an emulsifiable solvent degreaser prior to cleaning with **AccuWash FC-50**.

Concentration

10 grams per liter (1% - 3%) of hot water for use in automatic floor-scrubbing machines.

Use temperature

Hot water is recommended.

Rinsing

Rinse thoroughly with cold or hot water

ACCUWASH FC-50 POWDERED FLOOR CLEANER

PHYSICAL PROPERTIES

Appearance	White powder
Odour	Mild citrus
Specific gravity @ 20°C	Not applicable
Viscosity	Not applicable
pH	11.0 – 12.0 (1 % w/v solution in water)
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Not applicable
Freezing point	Not applicable
Foaming tendency	Moderate
Concentration monitoring techniques	Not available
Rinsing	Excellent

INCOMPATIBILITY

Strong oxidizing agents, acids

WAREHOUSING PRECAUTIONS

Store away from incompatible materials

AVAILABLE SIZES

			
20Kg	50Kg	100Kg	

IMPORTANT

Before using **ACCUWASH FC-50** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician immediately.

Skin contact

Take off contaminated clothing and rinse skin with plenty of water. Get medical advice/attention. Wash any contaminated clothing before re-use.

Inhalation

If difficulties occur after dust has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician.

Ingestion

Do not induce vomiting unless directed by medical personnel. Rinse mouth with water and drink 1 or 2 glasses of water and call a POISON CENTER or doctor/physician immediately.
