

AccuCLEAN 250

CAUSTIC DEGREASER

AccuCLEAN 250 is heavy-duty foaming degreaser designed for removing tough buildups of carbonized residue, greases, oils and other stubborn organic deposits.

AccuCLEAN 250 is suitable for cleaning heavily soiled BBQs and industrial smokers, as well as for removing pitch and resin oils from metal surfaces in pulp and paper or lumber industries. **AccuCLEAN 250** is also suitable for removing diesel smoke stains and other soils from industrial shop floors and walls.

AccuCLEAN 250 can be applied through a foaming system for increased dwell time and more effective cleaning.

FEATURES & BENEFITS

- High caustic soda content for heavy-duty degreasing
- High foaming formulation
- Versatile degreaser
- Free rinsing

DIRECTIONS FOR USE

Use procedure	Apply diluted AccuCLEAN 250 solution to surfaces to be cleaned by low pressure spray or through a foamer.
	Caution: Do not use on aluminum, copper, zinc or other soft metal surfaces. Concentrated product may attack some paints and glass.
Concentration	<ul style="list-style-type: none"> • Heavy-duty degreasing: dilute 5:1 • Light degreasing: dilute 10:1 to 50:1 depending on degree of soil
Temperature	May be used in hot or cold water. For heavy soils, use hot water for best results.
Dwell time / Operation time	Allow 10 to 30 minutes of dwell time before rinsing.
Mechanical action	Heavy soils or baked-on residues may require some scrubbing or repeat application.
Rinsing	Hot or cold water.

ACCUCLEAN 250 CAUSTIC DEGREASER

PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Mild detergent
Specific gravity @ 20°C	1.190 - 1.210
Viscosity	Not available
pH	12.5– 13.5 (10% v/v solution in water)
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Not available
Freezing point	< 0°C (32°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Electrical conductivity, titration

INCOMPATIBILITY

Strong oxidizing agents, acids, soft metals

WAREHOUSING PRECAUTIONS

Store away from incompatible materials
Keep from freezing

AVAILABLE SIZES

			
20L	115L	205L	

IMPORTANT

Before using **ACCUCLEAN 250**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician immediately.

Skin contact

Take off contaminated clothing and rinse skin with plenty of water. Wash any contaminated clothing before re-use. Immediately call a doctor/physician.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician.

Ingestion

Do not induce vomiting unless directed by medical personnel. Rinse mouth with water and drink 1 or 2 glasses of water and call a POISON CENTER or doctor/physician immediately.
