

## AccuCLEAN 250

### CAUSTIC DEGREASER

**AccuCLEAN 250** is heavy-duty foaming degreaser designed for removing tough buildups of carbonized residue, greases, oils and other stubborn organic deposits.

**AccuCLEAN 250** is suitable for cleaning heavily soiled BBQs and industrial smokers, as well as for removing pitch and resin oils from metal surfaces in pulp and paper or lumber industries. **AccuCLEAN 250** is also suitable for removing diesel smoke stains and other soils from industrial shop floors and walls.

**AccuCLEAN 250** can be applied through a foaming system for increased dwell time and more effective cleaning.

### FEATURES & BENEFITS

- High caustic soda content for heavy-duty degreasing
- High foaming formulation
- Versatile degreaser
- Free rinsing

### DIRECTIONS FOR USE

<b>Use procedure</b>	Apply diluted <b>AccuCLEAN 250</b> solution to surfaces to be cleaned by low pressure spray or through a foamer.
	<b>Caution:</b> Do not use on aluminum, copper, zinc or other soft metal surfaces. Concentrated product may attack some paints and glass.
<b>Concentration</b>	<ul style="list-style-type: none"> <li>• <b>Heavy-duty degreasing:</b> dilute 5:1</li> <li>• <b>Light degreasing:</b> dilute 10:1 to 50:1 depending on degree of soil</li> </ul>
<b>Temperature</b>	May be used in hot or cold water. For heavy soils, use hot water for best results.
<b>Dwell time / Operation time</b>	Allow 10 to 30 minutes of dwell time before rinsing.
<b>Mechanical action</b>	Heavy soils or baked-on residues may require some scrubbing or repeat application.
<b>Rinsing</b>	Hot or cold water.

# ACCUCLEAN 250 CAUSTIC DEGREASER

## PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Mild detergent
Specific gravity @ 20°C	1.190 - 1.210
Viscosity	Not available
pH	12.5– 13.5 (10% v/v solution in water)
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Not available
Freezing point	< 0°C (32°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Electrical conductivity, titration

## INCOMPATIBILITY

Strong oxidizing agents, acids, soft metals

## WAREHOUSING PRECAUTIONS

Store away from incompatible materials  
Keep from freezing

## AVAILABLE SIZES

			
<b>20L</b>	<b>205L</b>		

## IMPORTANT

Before using **ACCUCLEAN 250**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician immediately.

### Skin contact

Take off contaminated clothing and rinse skin with plenty of water. Wash any contaminated clothing before re-use. Immediately call a doctor/physician.

### Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting unless directed by medical personnel. Rinse mouth with water and drink 1 or 2 glasses of water and call a POISON CENTER or doctor/physician immediately.
