

AccuSHINE CHERRY

VEHICLE SPRAY WAX

AccuSHINE CHERRY is a top-tier spray wax drying aid with a delightful cherry scent. **AccuSHINE CHERRY** creates a hydrophobic surface on clean vehicles, leading to rapid “beading” of water droplets. This ensures water swiftly drains from the vehicle’s surface, expediting the drying process.

AccuSHINE CHERRY enhances the customer experience by infusing a pleasant cherry scent while imparting a lustrous sheen to the car’s finish during the final step of the carwash.

Unlike some competitors, the **AccuSHINE CHERRY** micro-emulsion remains stable, eliminating any worries about partial separation in either diluted or concentrated form.

FEATURES & BENEFITS

- Highly active formula
- Promotes rapid water beading to minimize drying time
- Pleasant cherry fragrance
- Stable micro-emulsion ensures consistent and reliable performance
- Does not leave hazy film on glass windows

DIRECTIONS FOR USE

- | | |
|------------------------|---|
| Use procedure | Apply diluted AccuSHINE CHERRY solution to vehicle surface immediately after the last high-pressure rinse. Ensure even coverage of all surfaces Allow dwell time of 20 – 30 seconds for wax to adhere. |
| Concentration | Up to 500:1 for touchless or wand wash applications |
| Use temperature | Can be used in both hot and cold-water cleaning applications. |
| Rinsing | Rinse with low pressure spray of deionized (reverse osmosis) water for spot-free finish. |

ACCUSHINE CHERRY VEHICLE SPRAY WAX

PHYSICAL PROPERTIES

Appearance	Clear, yellow liquid
Odour	Cherry
Specific gravity @ 20°C	0.980 – 1.000
Viscosity	Not available
pH	6.5 – 7.5 (10 % v/v solution in water)
Flash point (TCC)	Not applicable
Water solubility	Emulsifies
Boiling point	Approx. 100°C (212°F)
Freezing point	Not available
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Not available

INCOMPATIBILITY

Strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep in a dry, cool, and well-ventilated place, away from incompatible materials

AVAILABLE SIZES

			
20L	115L	205L	

IMPORTANT

Before using **ACCUSHINE CHERRY** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Rinse mouth. Do NOT induce vomiting. Drink one or two glasses of water or milk. Call a POISON CENTER or doctor/physician if you feel unwell.

Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.
