

## AccuTREAT 850

### DEODORIZER AND SLIME INHIBITOR

**AccuTREAT 850** is used to prevent the overgrowth of microorganisms that produce bad odors and slime in wash bay sumps, drainage areas, water recycling systems and other industrial circulating water systems.

**AccuTREAT 850** is effective against a broad spectrum of slime and odor producing species.

### FEATURES AND BENEFITS

- Prevents odor and slime in water
- Highly active ingredients
- Effective against a wide range of odor and slime producing sources
- Easy to use

### DIRECTION FOR USE

#### Use procedure

Add **AccuTREAT 850** directly to sumps, or reservoir of cooling/circulating water systems. For sumps and drainage systems, add product at the end of the day or when fluid inflows are at the lowest. Diluted **AccuTREAT 850** solutions can also be applied to drainage surfaces, walls and floors by low pressure spray, with no rinsing.

#### Concentration

Add 2 mL – 4 mL of **AccuTREAT 850** per 1L of water (1 oz of AccuTreat 850 per 2 to 3 gal)

#### Rinsing

Do not rinse.

# ACCUTREAT 850

DEODORIZER AND SLIME INHIBITOR

## PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Odorless
Specific gravity @ 20°C	1.010-1.030
Viscosity	Not available
pH	7.0 – 8.0
Flash point (TCC)	Not applicable
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Not available
Foaming tendency	Non-foaming
Concentration monitoring techniques	Not available

## INCOMPATIBILITY

Strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Store away from incompatible materials  
Keep from freezing

## AVAILABLE SIZES

			
<b>20L</b>			

## IMPORTANT

Before using **ACCUTREAT 850** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.

### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

### Inhalation

If difficulties occur after mist, vapors, or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Ingestion

Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.
