

ALKADET

ALKALI BUILDER

ALKADET is an inhibited alkaline agent and water conditioner used to boost the cleaning power of any given detergent.

ALKADET is safe on all types of fibers and prevents soil re-deposition as well as fabric graying by direct soil suspension.

FEATURES & BENEFITS

- Powerful inhibited alkali
- CFIA approved
- Safe on all fabric types
- Promotes effective soil suspension
- Conditions water source
- Effectively buffers against most acidic laundry soils

DIRECTIONS FOR USE

System use	For use in automatic laundry systems located in industrial, commercial, hospitality, or health care settings.
Use procedure	Add ALKADET via injection pump system directly to wash cycle. For optimum results, use in combination with West Penetone Inc laundry care products.
Concentration	Between 32 to 110 ml or approximately 1/8 to 1/2 cup per 50 lb load.
Use temperature	Most effective in hot water.
Cycle of addition	Add directly to wash cycle.

PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Odorless
Specific gravity @ 20 °C	1.345-1.355
Viscosity	Not available
pH	13.0-14.0
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	None
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -5°C (23°F)
Foaming tendency	Non-foaming
Rinsing	Excellent
Concentration monitoring techniques	Not available

INCOMPATIBILITY

Strong oxidizing materials, acids, amphoteric or light metals

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	60L	120L

IMPORTANT

Before using **ALKADET**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
