

BIO COMPACT-R

BIOLOGICAL TRASH COMPACTOR DEODORIZER

BIO-COMPACT R is a ready-to-use proprietary bioformulation designed especially for deodorizing trash compactors and waste containers.

The bacteriological action neutralizes the chemicals that emit odors and turns them into carbon dioxide and water.

FEATURES AND BENEFITS

- Ready-to-use
- Environmentally friendly
- Non staining
- Highly concentrated bacterial formulation
- Pleasant floral fragrance
- Accelerated enzymatic degradation allows the multiple spore blend to work faster and more effectively

DIRECTIONS FOR USE

Surfaces to be treated	Trash compactors, garbage trucks or any location where waste may cause odour problems to staff, clients or local residents.
Use procedure	Spray a fine mist toward the compactor opening. A spraying time of 5 to 40 seconds every hour during daytime is recommended, although this may vary depending on the size of the compactor and soil load.
Concentration	Normally use as is. Can be diluted for applications needing greater coverage
	Used in the food industry, in agricultural and horticultural premises, and for other industrial uses.

BIO COMPACT-R BIOLOGICAL TRASH COMPACTOR DEODORIZER

PHYSICAL PROPERTIES

Appearance	Hazy, beige liquid
Odour	Perfumed
Specific gravity @ 20 °C	1.02
Viscosity	Not available
pH	7.5-8.5
Flash point (TCC)	None
Bacterial count	> 5 X 10 ⁷ cfu/ml
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Foaming tendency	Non-foaming
Concentration monitoring techniques	Not applicable
Rinsing	Not applicable

INCOMPATIBILITY

Strong oxidizers

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	205L	

IMPORTANT

Before using **BIO COMPACT-R**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contact physician if irritation persists.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
