

BIO-DISH

DISH CLEANER & PRESOAK

BIO-DISH is an environmentally friendly high-foaming neutral pH liquid dish detergent designed for the supermarket and food industries.

BIO-DISH is designed to be used for cleaning dish ware or equipment where corrosive products or the use of personal protective equipment is not desired.

FEATURES AND BENEFITS

- Ecologo certified UL-2759 Hard surface cleaner
- High foaming
- Neutral pH
- Readily biodegradable
- Water soluble
- High detergent power
- Non toxic
- Non irritant to skin
- Easy to rinse and does not streak

DIRECTIONS FOR USE

Equipment to be cleaned	Dish ware or food processing and handling equipment.
Soils to be removed	Animal fat or organic soils.
Use procedure	In a sink or other container, prepare a solution of BIO-DISH . With a pad or brush, scrub surfaces, then rinse, sanitize and let air dry.
Concentration	Between 10 ml and 5 ml/litre of water, depending on the degree of soil.
Temperature	Between 50 and 60°C.
Dwell time/Operation time	Generally, it is not necessary to allow an extended contact time when used manually.
Mechanical action	Scrubbing.
Rinsing	Let soak in hot water tank and spray with high or low pressure potable water until all traces of product are removed.
Reuse/Recycling	When used in a sink, product may be reused until all surface foam is eliminated.

BIO-DISH

DISH CLEANER & PRESOAK

PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Lavender
Specific gravity @ 20 °C	1.02
Viscosity	200 cps @ 22°C
pH	7
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	High
Concentration monitoring techniques	Refractive index
Rinsing	Excellent

INCOMPATIBILITY

None

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4 X 4L	20L		

IMPORTANT

Before using **BIO-DISH**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

PERSONAL PROTECTION

WHMIS
