

BUBBLE N SHINE

SPRAY WAX CONCENTRATE

BUBBLE N SHINE is a premium spray wax drying aid with a delightful bubble-gum scent. Its rapid “beading” action ensures water swiftly drains from the vehicle’s surface, expediting the drying process.

BUBBLE N SHINE enhances the customer experience by infusing a pleasant bubble-gum scent while imparting a lustrous sheen to the car’s finish during the final step of the carwash.

Unlike some competitors, the **BUBBLE N SHINE** micro-emulsion remains stable, eliminating any worries about partial separation in either diluted or concentrated form.

FEATURES & BENEFITS

- Highly active formula
- Promotes rapid water beading to minimize drying time
- Pleasant bubble-gum fragrance
- Stable micro-emulsion ensures consistent and reliable performance

DIRECTIONS FOR USE

Use procedure	Apply diluted BUBBLE N SHINE solution to vehicle surface immediately after the last high-pressure rinse. Ensure even coverage of all surfaces
Concentration	500:1 to 1000:1 for touchless or wand wash applications
Dwell time/Operation time	Allow dwell time of 20 – 30 seconds for wax to adhere.
Use temperature	Best results when diluted with cold water.
Rinsing	Rinse with low pressure spray of deionized (reverse osmosis) water.

BUBBLE N SHINE SPRAY WAX CONCENTRATE

PHYSICAL PROPERTIES

Appearance	Clear, yellow liquid
Odour	Bubble-gum
Specific gravity @ 20°C	0.980 – 1.000
Viscosity	Not available
pH	6.5 – 7.5 (10 % v/v solution in water)
Flash point (TCC)	Not applicable
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Not available
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Not available

INCOMPATIBILITY

Strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
20L	115L	205L	1000L

IMPORTANT

Before using **BUBBLE N SHINE** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Rinse mouth. Do NOT induce vomiting. Drink one or two glasses of water or milk. Call a POISON CENTER or doctor/physician if you feel unwell.

Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.
