

CITRIKLEEN® HDC

HEAVY-DUTY INDUSTRIAL DEGREASER

CITRIKLEEN HDC is versatile and highly concentrated industrial degreaser that is safe for a variety of metal surface cleaning applications.

It can be effectively applied in a range of applications including chemical circulation procedures in pipelines and vessels to cleaning of heavy industrial equipment such as commercial automobiles or automobile parts.

FEATURES & BENEFITS

- Utilizes the solvency and sustainability of terpene chemistry
- Water-emulsifiable and highly concentrated
- Rinses effectively leaving no residue
- Also effective for a variety of manual tasks including shop cleaning and dip tank applications
