

CITRIKLEEN®

CITRUS-BASED SOLVENT/DEGREASER

CITRIKLEEN is a water emulsifiable solvent, based on natural extracts.

CITRIKLEEN can do the job of petroleum distillate based solvents, without the inconvenience to user's health and comfort, as well as reducing environmental constraints.

CITRIKLEEN is therefore very efficient for cleaning of spills such as: lubricant oils and grease, cutting oils, rubber marks, wax, printing ink, certain adhesives and many other deposits.

FEATURES AND BENEFITS

- · Water emulsifiable
- Allows separation and removal of oils and grease which float to the surface. Product may therefore be used over a longer period of time.
- Reduces toxic wastes
- Pleasant to use
- Very effective solvent
- Economical since it is water emulsifiable therefore, dilutable

DIRECTION FOR USE

Techniques

Floor cleaning

Water surfaces with watering can, foamer, or apply with brushes or mops. Scrub well, then rinse well with warm water.

Concentration

1:10 to 1:30

Cleaning small pieces

Soak in a recirculation tank containing a cold **CITRIKLEEN** solution.

Concentration

1:10 to 1:20

Acids, strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place, away from incompatible materials.

AVAILABLE SIZES

IMPORTANT

Before using **CITRIKLEEN**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eve contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/ attention. Take off contaminated clothing and wash it before re-use.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
