

## CYCLONE

### LIQUID DETERGENT AND ALKALI BUILDER

**CYCLONE** is an exceedingly versatile, mild alkaline cleaner and degreaser designed to remove a multitude of grease or oils, dirt, debris, and residues safely for fabrics in laundry settings.

**CYCLONE** is designed for general cleaning and stain removal or as a boost for other detergent and cleaning additives in industrial laundry systems.

### FEATURES & BENEFITS

- High foaming
- Phosphate free
- BOD data available
- Cost efficient
- Versatile application methods

### DIRECTIONS FOR USE

<b>System use</b>	Use in manual or automatic laundry systems located in industrial, commercial, or hospitality settings.
<b>Concentration</b>	Add 415-830 ml or approximately 2-3.5 cups per 50 lb wash load, depending on severity of soils.
<b>Use temperature</b>	Effective in both hot and cold water.
<b>Cycle of addition</b>	Add directly to wash cycle.

# CYCLONE LIQUID DETERGENT AND ALKALI BUILDER

## PHYSICAL PROPERTIES

Appearance	Clear, blue liquid
Odour	Glycol/detergent
Specific gravity @ 20 °C	1.060-1.080
Viscosity	Not available
pH	12.5-13.5
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	None
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. 0°C (32°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Titration

## INCOMPATIBILITY

Acids, strong oxidizing agents, amphoteric or light metals

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
20L	120L	205L	1000L

## IMPORTANT

Before using **CYCLONE**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
