

# DELICATE CASTILE SOAP

## HAND SOAP

**DELICATE CASTILE SOAP** is a specially formulated gentle hand cleanser designed for food processing professionals.

Enriched with glycerine and concentrated emollients, **DELICATE CASTILE SOAP** is particularly effective in winter and/or dry conditions when hands tend to chap more easily.

## FEATURES AND BENEFITS

- Contains an abundance of skin softeners and emollients
- Light, pleasant odour
- Prevents dry, chapped hands

## DIRECTION FOR USE

### Use procedure

Pump soap onto moistened hands and work into a creamy lather. Rub hands vigorously for at least 20 seconds to clean thoroughly and wash away bacteria. Rinse hands thoroughly with potable water prior to handling food.

It is absolutely required to wash hands prior to entering a room where unwrapped food is handled.

### Rinsing

Hot water must be used at all times. Do not leave product residue on hands.
