

ECLIPSE

BIODEGRADABLE GRAFFITI REMOVER

ECLIPSE is specially designed to effectively remove permanent marker stains and various paints from painted surfaces, stone, and concrete. It is made of fully biodegradable and non-toxic solvents and emulsifiers.

ECLIPSE does not emit volatile organic compounds and is non-flammable.

Conforms to ASTM E1857-97(2021) standard

FEATURES & BENEFITS

- Safe for the user
- Pleasant smell, does not emit harmful odors
- High performance on all types of graffiti
- Non-flammable and non-combustible
- Reduced contact time

DIRECTIONS FOR USE

Technique

Using a cloth, test the product on a small area to determine the surface durability and the ideal contact time. Do not use if the surface appears altered after the test application. Spray or apply manually the product undiluted on the surface to be cleaned. Repeat if necessary, on a dry surface.

Concentration

Undiluted.

Dwell time/Operation time

1 to 10 minutes. Do not let the product dry.

Mechanical action

Scrub if necessary. Be careful, may damage paint or certain surfaces near the area to be treated.

Rinsing

Rinse with cold water using a wet scrubbing pad, a cloth, or high pressure water.

Reuse/recycling

No.

ECLIPSE BIODEGRADABLE GRAFFITI REMOVER

PHYSICAL PROPERTIES

Appearance	Pale yellow liquid
Odour	Slightly perfumed
Specific gravity @ 20°C	1.020 – 1.025
Viscosity	<5 cps @ 20°C
pH	Not applicable
Flash point (TCC)	>93.3°C
Water solubility	Complete
Auto ignition temperature	None
Boiling point	205°C
Freezing point	<-20°C
Foaming tendency	Non-foaming
Concentration monitoring techniques	Non applicable
Rinsing	Excellent

INCOMPATIBILITY

Strong oxidizers

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4L	20L	205L	

IMPORTANT

Before using **ECLIPSE**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contact physician if irritation persists.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
