

# EQUALIZER

LIQUID EMULSIFIER & FABRIC  
DEGREASER ADDITIVE

**EQUALIZER** is a multipurpose emulsifier and degreaser additive used to help dissolve and remove tough heavy oil or petroleum stains and odours from work-wear fabrics directly in the wash cycle.

## FEATURES & BENEFITS

- High solvency
- Excellent pre-treatment stain remover
- Boosts performance of the product **SEA SPRAY**
- Does not affect reflective taping

## DIRECTIONS FOR USE

<b>Use procedure</b>	Use <b>EQUALIZER</b> for fabric pre-treatment or add via manual addition or injection pump system directly to wash cycle. For optimum results, use in combination with West Penetone laundry care products.
<b>Concentration</b>	Between 115 to 230 ml or approximately 1/2 to 1 cup per <i>single</i> wash load. Between 230 to 460 ml or approximately 1 to 2 cups per <i>triple</i> wash load.
<b>Temperature</b>	Effective in both hot and cold water.

# EQUALIZER

LIQUID EMULSIFIER & FABRIC DEGREASER ADDITIVE

## PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Solvent
Specific gravity @ 20 °C	0.845-0.875
Viscosity	Not available
pH	Not applicable
Flash point (TCC)	40°C (104°F)
Water solubility	Emulsifies
Auto Ignition Temperature	Not available
Boiling point	Approx. 165°C (329°F)
Freezing point	Approx. -45°C (-49°F)
Foaming tendency	Non-foaming
Rinsing	Excellent
Concentration monitoring techniques	Not available

## INCOMPATIBILITY

Acids, strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

		
20L	205L	

## IMPORTANT

Before using **EQUALIZER**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

### Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
