

## FOAM-EZE SF

### HIGH FOAMING ALKALINE CLEANER

**FOAM-EZE SF** is a heavy-duty high foaming alkaline cleaner used to dislodge dried or baked deposits.

### FEATURES AND BENEFITS

- Abundant and lasting foam
- Solvent free
- Moderate caustic alkalinity
- Completely water soluble
- Non-chlorinated
- Very powerful

### DIRECTION FOR USE

<b>Equipment to be treated</b>	Processing equipment surfaces.
<b>Soils to be removed</b>	Food, vegetable and organic deposits.
<b>Use procedure</b>	Remove all debris, rinse surfaces with hot water and apply a foam solution of <b>FOAM-EZE SF</b> with appropriate equipment.
<b>Concentration</b>	0.1% to 10% (1 to 100 ml/l).
<b>Temperature</b>	5°C to 60°C (41 to 140°F).
<b>Dwell time/Operation time</b>	Between 2 and 5 minutes.
<b>Mechanical action</b>	Scrubbing will enhance the result.
<b>Rinsing</b>	Rinse all food contact surfaces with potable water
<b>Reuse/recycling</b>	Not possible.

# FOAM-EZE SF HIGH FOAMING ALKALINE CLEANER

## PHYSICAL PROPERTIES

Appearance	Clear, pale yellow liquid
Odour	Faint detergent
Specific gravity @ 20°C	1.14
Viscosity	< 10 cps
pH	> 13.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	High
Concentration monitoring techniques	Titration
Rinsing	Excellent

## INCOMPATIBILITY

Strong acids

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
<b>20L</b>	<b>205L</b>		

## IMPORTANT

Before using **FOAM-EZE SF**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
