

## FOAMWAX

### FOAMING WAX

**FOAMWAX** is a high-foaming spray wax concentrate designed for use as an optional stage in automatic carwash operations.

**FOAMWAX** is ideally incorporated in the premium level wash package where it provides a brightly colored (red, yellow or blue), cherry fragrancd foam on the vehicle surface, while depositing a thin water repelling, glossy film.

**FOAMWAX** will produce a dense foam when properly applied through an aerating applicator system. The water repelling film left on the vehicle surface improves the gloss and overall appearance.

### FEATURES & BENEFITS

- Excellent foaming and pleasant cherry fragrance great customer experience.
- Adds to the premium car wash experience
- Safe for all types of vehicles
- Leaves glossy, water repelling film on vehicle surface

### DIRECTIONS FOR USE

- |                        |   |
|------------------------|---|
| <b>Use procedure</b>   | <b>FOAMWAX</b> should be diluted with water applied using compressed-air, foam generating equipment after rinsing all detergent from the vehicle surface.         |
| <b>Concentration</b>   | <b>FOAMWAX</b> is typically diluted 80:1 to 120:1 with water. This dilution should be adjusted as required to give the best visual appearance during application. |
| <b>Use temperature</b> | Hot or warm water   |
| <b>Rinsing</b>         | Rinse with hot or cold water, or apply high pressure spray wax solution.  |

## PHYSICAL PROPERTIES

Appearance	Clear red, blue or yellow liquid
Odour	Cherry
Specific gravity @ 20°C	0.995 – 1.015
Viscosity	Not available
pH	7.0 – 8.0
Flash point (TCC)	Not applicable
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Not applicable
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Not available

## INCOMPATIBILITY

Strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Store away from incompatible materials

## AVAILABLE SIZES

			
<b>20L</b>	<b>115L</b>	<b>205L</b>	

## IMPORTANT

Before using **FOAMWAX** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Ingestion

Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.

### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

### Inhalation

If difficulties occur after mist, vapors, or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.
