

FUSION360

CERAMIC SPRAY WAX, DRYING AGENT
AND SURFACE PROTECTANT

FUSION360 is a premium, ceramic drying aid for self-serve and automatic touchless car wash systems. **FUSION360** delivers instant gloss, water repellency and long-lasting surface protection in a single application. **FUSION360** has a pleasant wintergreen - berry fusion fragrance for great customer appeal.

FUSION360 is formulated to produce an invisible, 3-component organosilicon film that enhances gloss and promotes rapid water shedding from vehicle surfaces. Its triple-action formula ensures superior adhesion, performance and long-lasting protection of clear coat and paint.

FEATURES & BENEFITS

- Promotes fast water beading and drying
- Triple-action surface gloss enhancement and protection
- Pleasant wintergreen-berry fusion fragrance
- Long-lasting coating
- Safe on glass, plastic, metal and painted surfaces
- Perfect upgrade for high-end or deluxe wash tiers
- Compatible with self-serve and touchless wash systems

DIRECTIONS FOR USE

Use procedure

FUSION360 should be diluted with water and applied by high pressure or low-pressure spray. **Vehicle surface should be rinsed thoroughly to remove detergent before applying FUSION360.**

Concentration

FUSION360 is typically diluted 400:1 to 700:1 with water. This dilution should be adjusted as required to give the best performance and fragrance.

Use temperature

Dilute using hot or cold water.

Rinsing

Rinse with hot or cold deionized water.

FUSION360

CERAMIC SPRAY WAX, DRYING AGENT AND SURFACE PROTECTANT

PHYSICAL PROPERTIES

Appearance	Clear, yellow liquid
Odour	Wintergreen and berry
Specific gravity @ 20°C	0.985 – 1.000
Viscosity	Not available
pH	6.5 – 7.5 (10 % v/v solution in water)
Flash point (TCC)	Not applicable
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Not available
Foaming tendency	Non-foaming
Rinsing	Good
Concentration monitoring techniques	Not applicable

INCOMPATIBILITY

Strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away in a dry, cool, and well-ventilated place

AVAILABLE SIZES

			
20L	115L	205L	

IMPORTANT

Before using **FUSION360** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Rinse mouth. Do NOT induce vomiting. Drink one or two glasses of water or milk. Call a POISON CENTER or doctor/physician if you feel unwell.

Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention immediately.
