

GRAFIKLEEN® L404 C

U.V. SOLVENT CLEANER

GRAFIKLEEN L404 C is a state of the art blanket and roller wash that helps meet many current environmental regulations.

GRAFIKLEEN L404 C is uniquely formulated to remove u.v. inks and coatings from flexographic, lithographic and dry offset presses.

GRAFIKLEEN L404 C is as effective as mineral spirits, naphtha, and alcohol in the cleaning of u.v. inks, uncured varnishes, lacquers and adhesives.

FEATURES & BENEFITS

- Safer than conventional solvents
- Highly effective
- Multiple uses
- Safer for employees to use
- Cost effective
- Fast cleaning
- High closed cup flash point
- Fast evaporating

DIRECTIONS FOR USE

Use procedure

Apply **GRAFIKLEEN L404 C** to blankets, rollers, aniloxes and plates via a well rung out rag or spray applicator. For less start-up waste, give a dry wipe to ensure that the solvent has fully evaporated before start-up.

GRAFIKLEEN® L404 C U.V. SOLVENT CLEANER

PHYSICAL PROPERTIES

Appearance Clear, light yellow liquid

Odour Citrus

Specific gravity @ 20°C 0.83

Viscosity <10 cps

pH Not applicable

Flash point (TCC) 40°C

Water solubility Complete

Auto ignition temperature None

Boiling point 160°C

Freezing point <- 40°C

Foaming tendency Not applicable

Concentration monitoring techniques Not applicable

Rinsing Not applicable

INCOMPATIBILITY

Strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

205L

IMPORTANT

Before using **GRAFIKLEEN L404 C**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Call a physician if irritation persists.

Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Ingestion

Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
