

## GRAFIKLEEN® R303

### U.V. INK CLEANER

**GRAFIKLEEN R303** is uniquely formulated to remove u.v. inks and coatings from flexographic, lithographic and dry offset presses.

**GRAFIKLEEN R303** is as effective as mineral spirits, naphtha, and alcohol in the cleaning of u.v. inks, uncured varnishes, lacquers and adhesives and is almost odorless.

### FEATURES & BENEFITS

- Very mild odor
- High dissolution capacity for u.v. inks
- Moderate evaporation
- Safe and comfortable to use
- Economical
- No oily residue
- Limits loss upon resumption of operations

### DIRECTIONS FOR USE

#### Use procedure

**Apply GRAFIKLEEN R303** to blankets, rollers, aniloxes and plates via a well rung out rag or spray applicator. For less start-up waste, give a dry wipe to ensure that the solvent has fully evaporated before start-up.

# GRAFIKLEEN® R303 U.V. INK CLEANER

## PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Solvent
Specific gravity @ 20°C	0.83
Viscosity	<10 cps
pH	Not applicable
Flash point (TCC)	40°C
Water solubility	Insoluble
Auto ignition temperature	Not available
Boiling point	160°C
Freezing point	<- 40°C
Foaming tendency	Not applicable
Concentration monitoring techniques	Not applicable
Rinsing	Not applicable

## INCOMPATIBILITY

Strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

		
20L	205L	

## IMPORTANT

Before using **GRAFIKLEEN R303**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Call a physician if irritation persists.

### Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use.

### Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Ingestion

Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
