# Green Products Serving Diverse Industries

Offering ecological alternatives to traditional solutions is at the core of West Penetone's philosophy. By evolving classic formulations into equally effective eco-friendly versions, we are confident in making real environmental changes.

## Adopt the Eco-Friendly Replacement Solution

Product Equivalency Table

Foam-Eze	Bio-Eze 3
Westquat	Bio-San
Window Newbrite	Bio-Sparkle
Citrikleen	Enviro-Trap

## Eco-friendly and High-performing

- Readily biodegradable in less than **28 days**  
Reduces environmental footprint
- 100 % water soluble
- Pleasant odour
- Safe for the user and the environment
- Available in **4 x 4L and 20L** formats
- Ecologo certification since July 2008
- Phosphate and EDTA free
- Non-corrosive

## Alkaline Cleaners/Degreasers

Products	Description	Features & Benefits
<b>BIO SPARKLE</b> Hard surfaces cleaner	Environmentally friendly glass cleaner designed to clean windows, scanners, mirrors, ceramic, Plexiglas and polished stainless steel, leaving a streak free finish.	<ul style="list-style-type: none"> <li>• High cleaning power</li> <li>• Readily biodegradable</li> <li>• Non toxic</li> <li>• Leaves a clean, streak free finish</li> </ul> 
<b>BIO-EZE 3</b> UL-2700 : Hard surfaces cleaner	New generation foaming alkaline cleaner designed to be safely used on all kinds of surfaces such as vinyl, leather, fabric and painted surfaces. It easily and effectively removes dirt, stains, oil and grease.	<ul style="list-style-type: none"> <li>• Ecologo certified</li> <li>• High foaming</li> <li>• Readily biodegradable</li> <li>• Water soluble</li> <li>• Phosphate-free</li> </ul>  
<b>BIO-EZE NST</b> Hard surfaces cleaner	New generation, biodegradable cleaner designed to remove dirt, stains, oil and grease from floors, walls and equipment.	<ul style="list-style-type: none"> <li>• Very effective for heavy tasks</li> <li>• Moderate foaming</li> <li>• Readily biodegradable</li> <li>• Water soluble</li> <li>• Non-corrosive</li> </ul> 

## Disinfectant/Sanitizer

Product	Description	Features & Benefits
<b>BIO-SAN</b> UL-2794 : Disinfectants and Disinfectant Cleaners DIN: 02309920	Quaternary based disinfectant, Ecologo certified. It is very effective on a wide variety of microorganisms and not harmful to metals or other materials.	<ul style="list-style-type: none"> <li>• Ecologo certified</li> <li>• Neutral pH</li> <li>• Readily biodegradable</li> <li>• 100 % water soluble</li> </ul>  

## Specialized products

Products	Description	Features & Benefits
<b>BIO COMPACT-R</b>	<b>BIO COMPACT-R</b> is a ready-to-use proprietary bioformulation designed especially for deodorizing trash compactors and waste containers. The bacteriological action neutralizes the chemicals that emit odors and turns them into carbon dioxide and water.	<ul style="list-style-type: none"> <li>• Ready-to-use</li> <li>• Environmentally friendly</li> <li>• Highly concentrated bacterial formulation</li> <li>• Odeur plaisante</li> <li>• Accelerated enzymatic degradation allows the multiple spore blend to work faster and more effectively</li> </ul> 
<b>ENVIRO-TRAP</b>	Ready-to-use proprietary bioformulation designed specifically to eliminate organic waste and unpleasant odours in grease traps, drain lines and sewage pits. <b>ENVIRO-TRAP</b> contains non pathogenic bacteria that digest and liquefy dead organic waste (grease, fat, food particles, blood). Unique bacteria convert organic matter to carbon dioxide and water.	<ul style="list-style-type: none"> <li>• Ready-to-use</li> <li>• Safe for the environment</li> <li>• Pleasant smell</li> <li>• Multiple spores mixing allows a faster and more efficient enzymatic degradation</li> </ul>
