

HE-LITE

HE LAUNDRY DETERGENT

HE-LITE is a unique blend of detergent and optical brighteners, specially formulated for commercial laundry systems.

HE-LITE is a super-concentrated detergent for use in the food plants, agricultural and horticultural fields.

HE-LITE removes dirt such as oils and greases and prevents dirt re-deposition. It is effective on both animal and plant-based dirt.

FEATURES AND BENEFITS

- Low foaming
- Optical brighteners (preserves color brightness)
- Pleasant scent
- Easy to use
- Anti-redeposition agent
- Highly concentrated, high-performance product

DIRECTION FOR USE

Technique

HE-LITE is formulated for manual use or with an automatic dispenser. The amount of detergent depends on the level of soil accumulation.

Concentration

Manual Wash

- Regular load: 25ml per load
- Large load: 40ml per load

Automatic Wash (based on 100 lbs of dry laundry)

- Light soil: ½ cup (125ml)
- Medium soil: ¾ cup (180ml)
- Heavy soil: 1 cup (240ml)

Use Temperature

Wash with cold water.

Mechanical Action

For stains, pour a small amount of **HE-LITE** directly onto the stain and rub.

HE-LITE HE LAUNDRY DETERGENT

PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Aquamarine
Specific gravity @ 20°C	1.02-1.04
Viscosity	Not available
pH	7.5 - 8.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	0°C
Foaming tendency	Low
Concentration monitoring techniques	Not available
Rinsing	Excellent

INCOMPATIBILITY

Strong oxidizers

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4 X 4L			

IMPORTANT

Before using **HE-LITE**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contact physician if irritation persists.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
