

HI CLEAN

LIQUID LAUNDRY DETERGENT

HI CLEAN is a high alkali, phosphate-free liquid detergent designed to clean, degrease, brighten, as well as remove and repel stains from cotton or cotton/polyester-blended work wear, linen and clothing in a variety of laundry settings.

HI CLEAN works at optimum efficiency for cleaning heavily soiled laundry fabrics in combination with the product **ALKADET** or **WEST FL**.

FEATURES & BENEFITS

- Pleasant citrus fragrance
- Phosphate free
- Contains fabric brightener
- Effective in hard or soft water
- Brightens fabrics and leaves a fresh scent

DIRECTIONS FOR USE

- | | |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Use procedure | Add HI CLEAN via automatic injection pump system directly to wash cycle. For optimum results, use in combination with West Penetone laundry care products. |
| Concentration | Between 200 to 400 ml or approximately 1 to 1.5 cup per 50 lb load, depending on water quality and severity of soils. |
| Use temperature | Most effective in hot water. |

HI CLEAN LIQUID LAUNDRY DETERGENT

PHYSICAL PROPERTIES

Appearance	Clear, purple liquid
Odour	Citrus/glycol
Specific gravity @ 20 °C	1.006-1.026

20L	60L	120L

IMPORTANT

Before using **HI CLEAN**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
