

ACIDS

KLEEN-EZEY is an inhibited, medium-foaming acid cleaner designed for a variety of applications including scale removal, cleaning food or beverage processing equipment, and as an acidic pre-soak in vehicle wash cleaning applications. The inhibited formulation allows for use at high concentrations without risk to most surfaces to penetrate and clean under a variety of soil deposits.

FEATURES AND BENEFITS

- Medium foaming liquid
- Low viscosity
- Water dilutable
- Concentrated product containing corrosion inhibitor and cationic detergent
- Lifts soil deposits easily
- Does not release gases or unpleasant odors
- May be used with foaming equipment to increase contact time
- Food and beverage industry accepted

DIRECTIONS FOR USE

Use procedure	Apply to surfaces free of excess debris and oils or grease. May be used manually or with an adequate foaming or low-pressure system. Scour or brush stubborn deposits. Re-apply if necessary.
Concentration	<p>Foamer applications, 19:1 to 7:1 or approximately 5 - 15% v/v with water.</p> <p>For acidic pre-soak vehicle wash applications: Low-pressure spray, 480:1 to 48:1 or approximately 0.2 – 2.0% v/v with water.</p> <p>For heavy build-up, more than one application may be required.</p>
Use temperature	Warm to hot water.
Dwell time / Operation time	Minimum of 15 minutes is recommended.
Rinsing	Ensure thorough rinsing of surfaces in contact with food using potable water

KLEEN-EZEY

INHIBITED ACID CLEANER

PHYSICAL PROPERTIES

Appearance	Clear/light amber liquid
Odour	None
Specific Gravity @ 20°C	1.26
Viscosity	Thin
pH	2.0
Flash Point (TCC)	None
Boiling Point	Approx. 100°C
Freezing Point	Not available
Foaming Tendency	Medium
Concentration Monitoring Techniques	Titration, conductivity, refractive index
Rinsability	Excellent
Water Solubility	Complete

INCOMPATIBILITY

Never mix with chlorinated products such as calcium or sodium hypochlorite.
Never mix with alkaline products.

WAREHOUSING PRECAUTIONS

Keep from freezing
Store away from chlorinated
and alkaline products

AVAILABLE SIZES

			
4L	11L		

FIRST AID MEASURES

EYE CONTACT

Wash with plenty of water for 15 minutes.
Consult physician.

SKIN CONTACT

Flush with plenty of water for 15 minutes.
Consult physician if irritation develops
or persists.

INHALATION

Get to fresh air.

INGESTION

Do not induce vomiting.
Drink plenty of water and contact physician
immediately.
