

## RESEARCH and development...

With over 100 years of manufacturing and product development experience, West Penetone Inc has developed and patented a number of products designed to satisfy the needs of its numerous clients throughout the world. Whatever cleaners, degreasers or decontamination products may be required, we offer a broad range of products that meet the highest standards of safety and efficacy.

Concerned as we always are about environmental impact, we have introduced a new line of "green" cleaners and degreasers recognized by Environment Canada and displaying the EcoLogo.

**Looking for a product to meet a specific need?**  
Our team of experts can develop products that will answer your requirements.

**Implementation of chemical application procedures by our technical team allows you to carry out your cleaning operations while ensuring a safe environment.**

## STAIN REMOVER

Products	Description	Features and benefits
<b>OXYBRITE</b> Stain remover	Oxygen-based stain remover used to remove organic stains and protein soils safely from colored clothing, linen and workwear while brightening fabrics.	<ul style="list-style-type: none"> <li>• Safe on Nomex and other fire-retardant workwear</li> <li>• Color safe</li> </ul>
<b>CITRIKLEEN*</b> Heavy-duty fabric degreaser	High efficiency citrus-based liquid degreaser used to remove such stains as lubricant oils and grease, cutting oils, and many other heavy oil or petroleum stains from workwear fabrics directly in the wash cycle.	<ul style="list-style-type: none"> <li>• Reduces toxic solvent wastes</li> <li>• May be used for stain pre-treatment</li> </ul>
<b>SEA SPRAY*</b> Emulsifier concentrate	High efficiency liquid degreaser used to remove tough oil, fat, grease, petroleum and wax stains safely from all types of clothing and linen while brightening fabrics.	<ul style="list-style-type: none"> <li>• Industrial strength detergency</li> <li>• Contains fabric brightener</li> </ul>
<b>EQUALIZER</b> Liquid Emulsifier and Fabric Degreaser Additive	Multipurpose emulsifier and degreaser additive used to help dissolve and remove tough heavy oil or petroleum stains and odors from workwear fabrics directly in the wash cycle.	<ul style="list-style-type: none"> <li>• Reduces stains directly in pre-treatment</li> <li>• Boosts performance of Sea Spray</li> </ul>
<b>FLEET*</b> Stain remover	Chlorine-based stain remover used to clean, whiten and remove organic stains and protein soils from bleachable fabrics such as cotton and polyester.	<ul style="list-style-type: none"> <li>• Excellent for pre-treatment and fabric restoration</li> <li>• Strong bleach concentration</li> </ul>
<b>WEST CHLOR</b> Stain remover and sanitizer	Cost-effective chlorine-based stain remover that can also be used as a general purpose disinfectant for cleaning and disinfecting a wide variety of surfaces and problems.	<ul style="list-style-type: none"> <li>• Cost-effective for organic and protein stain removal</li> <li>• Ready-to-use bleach concentration</li> </ul>

## DETERGENT

Products	Description	Features and benefits
<b>ELITE LAUNDRY DETERGENT*</b> Liquid detergent	Neutral pH, liquid detergent designed for use in commercial laundry systems to clean and remove tough stains, such as oil and grease, while brightening fabrics and preventing soil re-deposition.	<ul style="list-style-type: none"> <li>• Effective in hard and soft water</li> <li>• Pleasant fragrance</li> <li>• pH reducer not required</li> </ul>
<b>CYCLONE</b> Liquid detergent and alkali builder	High alkali, phosphate-free liquid detergent designed for general cleaning and stain removal or as a boost for other detergent and cleaning additives in industrial laundry systems.	<ul style="list-style-type: none"> <li>• Effective alkali builder</li> <li>• Effective in hard and soft water</li> <li>• Phosphate free</li> </ul>
<b>FRESH N CLEAN</b> Liquid detergent	High alkali, fully-formulated liquid detergent designed to clean, brighten, as well as remove and repel stains from linen and clothing in commercial laundry settings.	<ul style="list-style-type: none"> <li>• Pleasant fragrance</li> <li>• Complete built detergent</li> </ul>
<b>HI-CLEAN*</b> Liquid detergent	High alkali, phosphate-free liquid detergent designed to clean, degrease, brighten, as well as remove and repel stains from workwear, linen and clothing in a variety of laundry settings.	<ul style="list-style-type: none"> <li>• Effective in hard and soft water</li> <li>• Phosphate free</li> <li>• Pleasant fragrance</li> </ul>
<b>ONE SHOT</b> Powdered detergent	Low-phosphate, enzymatic laundry detergent designed to brighten, clean and remove tough protein stains, such as blood, dairy or body soils, from fabrics in a variety of laundry settings.	<ul style="list-style-type: none"> <li>• Prevents soil re-deposition</li> <li>• Contains protease enzyme for active protein stain removal</li> </ul>
<b>XTREME LAUNDRY</b> Powdered detergent	Low phosphate, heavy duty powdered detergent designed to remove the toughest stains from work wear in industrial laundry settings.	<ul style="list-style-type: none"> <li>• Low foaming</li> <li>• Highly effective degreasing properties</li> </ul>

## FABRIC SOFTENER

Products	Description	Features and benefits
<b>SOFT N LO*</b> Fabric softener and pH reducer	pH-reduced laundry fabric softener used for softening fabrics, preventing static cling and controlling pH by neutralizing excess alkalinity, without yellowing fabrics.	<ul style="list-style-type: none"> <li>• Reduces drying time and fabric wrinkling</li> <li>• Decreases static</li> <li>• Neutralizes excess alkalinity</li> </ul>
<b>ULTRA SOFT</b> Fabric softener	Laundry fabric softener used for softening fabrics, preventing static cling while reducing the formation of wrinkles.	<ul style="list-style-type: none"> <li>• Reduces drying time and fabric wrinkling</li> <li>• Decreases static</li> <li>• Pleasant fragrance</li> </ul>
<b>SOFT N SOUR</b> Water conditioning fabric softener	A versatile and effective fabric softener for conditioning water in areas where iron content and hard minerals are a concern.	<ul style="list-style-type: none"> <li>• Prevents staining and yellowing caused by high iron concentrations</li> <li>• Effective pH reducer</li> </ul>

## BUILDER

Products	Description	Features and benefits
<b>ALKADET*</b> Alkali builder	Inhibited alkaline agent and water conditioner used to boost the cleaning power of any given detergent. It is safe on all types of fibres and also prevents soil re-depositions as well as fabric graying by directly promoting soil suspension.	<ul style="list-style-type: none"> <li>• Promotes effective soil suspension</li> <li>• Conditions water</li> <li>• Effectively buffers against acidic laundry soils</li> </ul>
<b>WEST FL*</b> Alkali builder	Cost-effective alkaline agent used to boost the cleaning power of detergent additives by effectively buffering against acidic laundry soils.	<ul style="list-style-type: none"> <li>• Cost-effective alkali</li> </ul>

## PRE-TREATMENT

Products	Description	Features and benefits
<b>CITRIKLEEN SC</b> Light-duty fabric degreaser and pre-soak	Citrus-based liquid detergent and degreaser designed for a multitude of laundry tasks including stain pre-treatment and pre-soaking a variety of fabrics.	<ul style="list-style-type: none"> <li>• Can be emulsified in water for easier rinsing</li> <li>• Pleasant fragrance</li> <li>• Reduces toxic solvent waste</li> </ul>
<b>RENEW</b> Stain remover and pre-soak	Industrial strength laundry stain remover designed for pre-treating or pre-soaking workwear, linen and clothing stained with tough organic, oil, fat, grease, petroleum and wax soils while safely brightening fabrics.	<ul style="list-style-type: none"> <li>• Pleasant fragrance</li> <li>• Safe on all fabrics</li> <li>• Contains fabric brightener</li> </ul>

## pH REDUCER

Products	Description	Features and benefits
<b>ULTRA SOUR</b> Liquid laundry sour	Liquid laundry sour used for controlling pH by neutralizing excess alkalinity in the final rinse cycle of commercial laundry applications.	<ul style="list-style-type: none"> <li>• Effective water conditioner</li> <li>• Prevents staining and yellowing caused by high iron concentrations</li> </ul>
