

## NUTRAWEST

### NEUTRAL FOAMING CLEANER

**NUTRAWEST** is a non-toxic, neutral and solvent free cleaner / degreaser. Derived from innovative technology, it has exceptional degreasing properties.

**NUTRAWEST** applies easily to all surfaces, removing oil stains, organic deposits, soot, and dust.

**NUTRAWEST** is safe for various plastic and metal surfaces, making it suitable for use on delicate equipment.

### FEATURES AND BENEFITS

- Neutral pH
- Safe on soft metals
- Odorless
- Easy rinsing
- Solvent-free
- No VOC
- Biodegradable
- Phosphate-free

### DIRECTION FOR USE

Soils to be removed	Organic soil and deposits, oils, soot, dust.
Technique	Dilute the product at a rate of 2% to 5%. Apply the diluted solution using a foamer or proportioner. Leave to dwell for 2 to 10 minutes. Do not allow the product to dry on surfaces. Rinse with water at ambient temperature, using either high or low pressure. Allow surfaces to dry before disinfecting.
Concentration	Between 2% and 5%.
Temperature	Between 5°C and 70°C.
Dwell time/Operation time	Depending on deposit and temperature.
Rinsing	Medium to high pressure water.

# NUTRAWEST NEUTRAL FOAMING CLEANER

## PHYSICAL PROPERTIES

Appearance	Clear, colorless to yellowish liquid
Odour	Detergent
Specific gravity @ 20°C	1.005 – 1.010
Viscosity	<10 cps @ 20°C
pH	7.0 – 8.0
Flash point (TCC)	> 93.3°C
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	0°C
Foaming tendency	Moderate
Concentration monitoring techniques	Not available
Rinsing	Excellent

## INCOMPATIBILITY

Strong oxidizers

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

		
20L	205L	1000L

## IMPORTANT

Before using **NUTRAWEST**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contact physician if irritation persists.

### Skin contact

Rinse skin with water.

### Inhalation

Not applicable.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
