

LAUNDRY

ONE SHOT LAUNDRY is a low-phosphate, enzymatic laundry detergent designed to brighten, clean and remove tough protein stains, such as blood, dairy or body soils, from fabrics in a variety of laundry settings.

FEATURES AND BENEFITS

- Low phosphate content
- Non-corrosive
- Non-hazardous
- Contains no harsh alkali ingredient
- Contains fabric brightener and anti-redeposition aid
- Contains protease enzyme for active protein stain removal
- User friendly
- Cost effective
- Safe on all types of fabrics
- Brightens fabrics
- Prevents soil re-deposition

DIRECTIONS FOR USE

Use procedure	Use ONE SHOT LAUNDRY via manual addition directly to wash cycle. For optimum results, use in combination with West Penetone laundry care products.
Concentration	Between 3 – 6 cups per 50 lb load.
Temperature	Most effective in hot water.

ONE SHOT LAUNDRY

POWDERED ENZYMATIC DETERGENT
