

PENBLITZ 228M

HEAVY-DUTY ALKALINE CLEANER

PENBLITZ 228M is a caustic free liquid alkaline cleaner.

PENBLITZ 228M is high foaming which allows its use in heavy-duty automatic foaming systems.

PENBLITZ 228M effective on a wide variety of deposits and soils such as lubricants, rubber marks on shipping floors, animal fat, ink, adhesives, shoe marks and wax.

FEATURES & BENEFITS

- Caustic free
- Phosphate free
- High foaming
- Solvent free
- Low viscosity
- Odourless
- Safe for users and compatible with most metallic and non metallic materials
- Non flammable
- Non volatile

DIRECTIONS FOR USE

Use procedure Apply using a mop, trigger or automatic sprayer or automatic foaming system.

Concentration Between 12% and 10%.

Use temperature Preferably above 50°C.

Dwell time/Operation time Allow to dwell 3 to 5 minutes before final rinsing.

Mechanical action Scrubbing, high pressure application and rinsing recommended to remove stubborn deposits.

Rinsing High pressure hot water.

PENBLITZ 228M HEAVY-DUTY ALKALINE CLEANER

PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Faint detergent
Specific gravity @ 20°C	1.07
Viscosity	<10 cps
pH	13
Flash point (TCC)	None
Water solubility	Complete
Boiling point	100°C (212°F)
Freezing point	Not available
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Electrical conductivity, titration

INCOMPATIBILITY

Strong acids

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4X4L	20L	205L	1000L

IMPORTANT

Before using **PENBLITZ 228M**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
