

PENETONE G-30

ASPHALT RELEASE AGENT

PENETONE G-30 is a detergent and lubricants based release agent that is completely biodegradable. It has the unique advantage of being water miscible.

PENETONE G-30 is designed to facilitate the unloading of asphalt from truck boxes.

FEATURES & BENEFITS

- Completely biodegradable, without risk to the environment
- Does not contain any solvents
- No adverse effect on asphalt
- Safe on all surfaces
- High foaming for better cling to vertical surfaces
- No unpleasant odor
- Resistant to high temperature
- Wide variety of applicator types are available

DIRECTIONS FOR USE

Technique

Coat the surface with **PENETONE G-30** diluted at 1 to 5% with water, depending on the type of asphalt.

For best results, apply on a clean surface with a water pressure based proportioning sprayer.

PENETONE G-30 ASPHALT RELEASE AGENT

PHYSICAL PROPERTIES

Appearance	Clear, pale yellow liquid
Odour	Detergent
Specific gravity @ 20 °C	1.12
Viscosity	Not available
pH	10
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	High
Rinsing	Not applicable
Concentration monitoring techniques	Not applicable

INCOMPATIBILITY

None

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	205L	1000L

IMPORTANT

Before using **PENETONE G-30**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

PERSONAL PROTECTION
