

PENTECH-D

LIQUID ALKALINE DETERGENT & BUILDER

PENTECH-D is a high pH, liquid detergent designed to provide rapid dispersion and removal of heavy oils or greases, soils, and other organic materials found in a variety of laundry applications including industrial washing or work-wear fabric cleaning.

PENTECH-D is effective and safe on a variety of fabrics when applied at the recommended dilution ratios.

FEATURES & BENEFITS

- No VOC's
- High alkali for rapid soil removal and suspension
- Contains no phosphates or solvents
- Effective in hard or soft water

DIRECTIONS FOR USE

Use procedure

Add **PENTECH-D** via injection pump system directly to wash cycle. For optimum results, use in combination with West Penetone laundry care products.

Concentration

Use 400-800 ml or approximately 1.5-3.5 cups per 50 lb wash load or at a maximum pump injection rate of 2.5 to 2.6 oz/gal for all automatic laundry systems.

Use temperature

Most effective in hot water.

PENTECH-D LIQUID ALKALINE DETERGENT & BUILDER

PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Detergent
Specific gravity @ 20 °C	1.110-1.150
Viscosity	Not available
pH	12.50-13.50
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	None
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -5°C (23°F)
Foaming tendency	Low
Rinsing	Excellent
Concentration monitoring techniques	Not available

INCOMPATIBILITY

Strong oxidizing materials, acids, amphoteric or light metals

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
	20L	120L	205L

IMPORTANT

Before using **PENTECH-D**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
