

RAMEX

HEAVY-DUTY, ECONOMICAL SOLVENT CLEANER

RAMEX is an economical solvent blend designed for continuous heavy duty manual tasks.

RAMEX is ready to use for removing deposits such as tar, heavy crudes, and carbonized hydrocarbons from a variety of surfaces while employing a higher content of high distillate grade aliphatic material for longer residence time and less evaporative loss.

FEATURES & BENEFITS

- Disperses hydrocarbon sludge and foulant accumulation upon application and rinsing
- Cost efficient alternative to the product **RAMSOL**
- Powerful and fast acting
- Ready to use
- Safe on all hard metal surfaces
- Rinses effectively leaving little to no residue
- May be used in cold dip tank or parts washer applications
- Provides longer dwell time for improved foulant removal

DIRECTIONS FOR USE

Soils to be removed

Tar, grease, bitumen residue, oils, carbonized deposits, etc.

Use procedure

Use **RAMEX** as part of a manual, low-pressure, or cold dip tank application. For very thick accumulations, physically remove excess or loose deposits before application.

Concentration

Most effective when used undiluted.
Dilute 15-20% v/v with a suitable solvent such as diesel, Varsol, or **TPC SOLVENT** for cold dip tank applications.

Dwell time/Operation time

5 to 30 minutes, according to the amount of soil.

Mechanical action

Scrubbing and wiping recommended to remove stubborn deposits.

Rinsing

Allow product to dwell before rinsing. High-pressure, hot water is recommended.

PHYSICAL PROPERTIES

Appearance	Clear, yellow liquid
Odour	Solvent
Specific gravity @ 20°C	0.800-0.810
Viscosity	Not available
pH	Not applicable
Flash point (TCC)	49°C (120°F)
Water solubility	Emulsifies
Boiling point	140.8°C (285°F)
Freezing point	Approx. -34°C (-29°F)
Foaming tendency	Non-foaming
Rinsing	Excellent
Concentration monitoring techniques	Not available

INCOMPATIBILITY

Acids, strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	205L	1000L

IMPORTANT

Before using **RAMEX**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Take off immediately all contaminated clothing. Rinse skin with water or shower. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.

PERSONAL PROTECTION
